

English-Medium Doctoral Programs on Offer for 2019 Entry

Location	College/School	Program	Duration	Mode of Study
Siming Campus	School of Management	Management Science and Engineering	4	Full-time
		Technical Economics and Management (Research Orientation: Energy Management and Policy)	4	Full-time
Siming Campus	Institute for Financial and Accounting Studies	Accounting	4	Full-time
		Finance	4	Full-time
Siming Campus	School of Economics	Western Economics	4	Full-time
Siming Campus	Wang Yanan Institute for Studies in Economics	Finance	4	Full-time
		Quantitative Economics	4	Full-time
		Statistics	4	Full-time
Siming Campus	Gregory and Paula Chow Center for Economics Research	Western Economics	4	Full-time
		Quantitative Economics	4	Full-time
Siming Campus	School of Law	International Law	4	Full-time
Siming Campus	Intellectual Property Research Institute	Intellectual Property Law	4	Full-time
Siming Campus	College of Foreign Languages and Cultures	English Language and Literature	4	Full-time
		Linguistics and Applied Linguistics in Foreign Languages	4	Full-time

Location	College/School	Program	Duration	Mode of Study
Siming Campus	Research School for Southeast Asian Studies	World Economy	4	Full-time
		World History	4	Full-time
Siming Campus	Institute of Education	Higher Education	4	Full-time
Siming Campus	College of Physical Science and Technology	Condensed Matter Physics	4	Full-time
Xiang'an Campus	School of Aerospace Engineering	Mechatronic Engineering	4	Full-time
Siming Campus	School of Mathematical Sciences	Computational Mathematics	4	Full-time
Siming Campus	School of Information Science and Technology	Computer Science and Technology	4	Full-time
		Communication and Information	4	Full-time
		System, Signal and Information Processing	4	Full-time
Siming Campus	College of Electronic Science and Technology	Electronic Science and Technology	4	Full-time
Siming Campus	College of Chemistry and Chemical Engineering	Analytical Chemistry	4	Full-time
		Physical Chemistry	4	Full-time
		Inorganic Chemistry	4	Full-time
		Organic Chemistry	4	Full-time
		Polymer Chemistry and Physics	4	Full-time
		Chemical Biology	4	Full-time
		Energy Chemistry	4	Full-time
		Chemical Engineering	4	Full-time

Location	College/School	Program	Duration	Mode of Study
Xiang'an Campus	School of Life Sciences	Zoology	4	Full-time
		Biochemistry and Molecular Biology	4	Full-time
		Hydrobiology	4	Full-time
		Cell Biology	4	Full-time
		Genetics	4	Full-time
Xiang'an Campus	College of the Environment and Ecology	Environmental Science	4	Full-time
		Environmental Management	4	Full-time
		Ecology	4	Full-time
		Environmental Engineering	4	Full-time
Xiang'an Campus	Coastal and Ocean Management Institute	Marine Affairs	4	Full-time
Xiang'an Campus	School of Pharmaceutical Sciences	Chemical Biology	4	Full-time

Notes:

1. If the number of students admitted to the Doctor of Management Science and Technology offered by the School of Management is less than five, the University will advise applicants to change their program choice.

2. Please refer to the "Programs in English" section for the contact information of the supervisors that participate in these English-medium programs.
